

Privacy Policy

This Application collects some Personal Data of its Users.

Data Controller

www.meetingonpsychotherapy.eu

Owner contact email: anania@psicologia-dinamica.it

Types of data collected

Among the Personal Data collected by this Application, either independently or through third parties, there are: Cookies; Usage data; Data communicated while using the service; first name; e-mail; various types of data.

Complete details on each type of data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the data is collected.

Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically during the use of this Application.

Unless otherwise specified, all data required by this application are mandatory. If the User refuses to communicate them, it may be impossible for this Application to provide the Service. In cases where this Application indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or on its operation.

Users who have doubts about which data are mandatory are encouraged to contact the owner.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless otherwise specified, has the purpose of providing the Service requested by the User, in addition to further purposes described in this document and in the Cookie Policy, if available.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application and guarantees to have the right to communicate or disseminate them, freeing the Owner from any liability to third parties.

Methods of processing the collected data

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other subjects involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external subjects (such as suppliers of third party technical services, postal couriers) may have access to the Data. hosting providers, IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Purpose of processing the collected data

The User Data is collected to allow the Owner to provide its Services, as well as for the following purposes: Interaction with live chat platforms, Interaction with external social networks and platforms, Contacting the User, Displaying content from platforms external, Registration and authentication and Statistics.

To obtain further detailed information on the purposes of the processing and on the Personal Data concretely relevant to each purpose, the User can refer to the relevant sections of this document.
